

## **Dr. Milutin Smiljanić**

### **Contact:**

Bičevje 4, 1000 Ljubljana

Phone: +386 64 298348

e-mail: [milutin.smiljanic@ki.si](mailto:milutin.smiljanic@ki.si); [milutinsmiljanic3@gmail.com](mailto:milutinsmiljanic3@gmail.com)

### **Date and place of birth**

11.01.1984, Belgrade, Serbia

### **Education:**

- MSc diploma at the Faculty of Technology and Metallurgy, University of Belgrade, Serbia (2009)
- Ph.D. diploma Faculty of Technology and Metallurgy, University of Belgrade, Serbia (2015)

### **Employment:**

- 2010 - Laboratory for Atomic Physics, Institute for Nuclear Sciences Vinča.
- 2017-2018 (18 months) Postdoctoral researcher at Universite Libre de Bruxelles, Laboratory for analytical and interfacial chemistry
- 2019 - National Institute of Chemistry (NIC), Department of Materials Chemistry, Laboratory for Electrocatalysis

### **Scientific accomplishments:**

- **Co-author of 28 scientific articles** (14 as the 1<sup>st</sup> author, 7 as the corresponding author, number of citations: 618, h-index 14 (Google Scholar)).
- **PI investigator of the research project:** [Recycling precious metals in an environmentally friendly way](#) (NIC, 01.04.2019 – 31.03.2022)
- **Plenary speaker at the** [4th International Meeting on Materials Science for Energy-Related Applications](#)
- **Reviewer of the research proposals** (Narodowe Centrum Nauki, Poland)
- **Regular reviewer of scientific articles** (Applied Catalysis B: Environmental, Electrochimica Acta, International Journal of Hydrogen Energy, etc.)
- **Guest Editor** for the Special Issue of the journal [Catalysts](#)

### **Research interests:**

- Electrocatalysis, fuel cells, water electrolysis, novel supports for nanocatalysts.
