

ChemInno conferences bring together leading scientists, engineers, industry experts, regulatory authorities, and innovators working at the interface of applied chemistry, industrial technologies, and real-world applications. ChemInno 2026 celebrates 65 years of excellence of the Institute of General and Physical Chemistry in Belgrade, an institution founded on pioneering research in zeolite chemistry and applied physical chemistry.

## IMPORTANT INFORMATION

**Abstract submission deadline:** 31 March 2026

**Notification of acceptance:** 05 April 2026

**Final registration deadline:** 20 April 2026

**Conference Fees** (Academic Participants):

Students (Bsc/Msc/PhD): 12.000,00 din/100 EUR

**Early-bird student fee: 50 % discount if paid before 15 April 2026**

Delegates: 18.000,00 din / 150 EUR

**Each participant can submit two abstracts!**

First International Conference on Medical, Pharmaceutical and Cosmetic Chemistry, Household and Industrial Chemistry, Forensic and Analytical Chemistry  
Hotel Crowne Plaza, Belgrade, Serbia || 5 may 2026

**Special Issue Announcement** - Following the conference, participants will have the opportunity to submit full-length papers to the ChemInno 2026 dedicated Special Issue of the **international peer-reviewed MDPI journal Materials**, with a publication discount ranging from 50 to 100 percent. The deadline for submitting the full-length papers is December 31<sup>st</sup>, 2026.

To promote excellence and innovation, ChemInno 2026 will present the **Special Award – Zeolite-Based Innovation**

**MORE THEN 20 INVITED SPEAKERS**  
**FROM ACADEMIA AND INDUSTRY,**  
**GIVING INSIGHT INTO LATEST R&D TRENDS**  
**AND CASE-STUDIES.**

## THEMATIC SESSIONS

1. Physical Chemistry in Applied Science and Technology
2. Pharmaceutical Formulations, Aesthetic Medicine
3. Biotechnology, Medical & Cosmetic Chemistry
4. Household Chemistry and Materials for Industry
5. Sustainable Chemistry & Green Formulations
6. Forensic & Analytical Chemistry
7. Technological & AI-driven digital innovations
8. Chemical Safety, Regulation, Standards & Knowledge Transfer
