Aim of the Meeting

The 2nd International Meeting on **MATERIALS SCIENCE FOR ENERGY RELATED APPLICATIONS** is organized as the satellite event to **PHYSICAL CHEMISTRY 2016** conference with the aim to bring together scientists from all domains of material science for energy related applications. Contributions related to materials for heterogeneous catalysis, fuel cells, batteries, hydrogen storage, solar energy conversion systems and others are welcomed. One of the goals of the Meeting is to bring together theoreticians and experimentalists working in the field. Hence, theoretical, experimental and combined studies are welcomed. Young researchers are especially encouraged to present their work at the meeting.

More details will be given in the Second Circular.

Language

The official language of the Meeting will be English.

Deadlines

Registration	20th June 2016.
Submission of papers	15th August 2016.

Program

The Meeting will include lectures delivered in the form of oral presentations. All contributors are encouraged to prepare poster presentations as well. Posters will be placed throughout the duration of the Meeting and presented and discussed during the breaks.

Publications

All presentations at the Meeting will be published in the **BOOK OF ABSTRACTS**. The form of the abstract is up to authors. The authors can choose to present their research in the form of one-page abstract or as an extended four-pages paper (including abstract, introduction, results and discussion, and conclusion) in single-spaced A4 format. Top and bottom margins should be 4.85 cm and left and right margins should be 4 cm. The title should be written in font 14 (Times New Roman) and in bold capital letters. The rest of the text should be in 11 point fonts (Times New Roman). The authors' addresses should be given in italics. References to the literature within text should be placed in square brackets: [1], [2],..., and cited at the end of the text. References: [1] G. Petrov, Raman Spectrosc., 2003, **34**, 160-167.

Registration and papers submission

Filled Registration forms should be sent electronically by e-mail (materials@ffh.bg.ac.rs) before **June 20th, 2016**. The papers should be submitted electronically by e-mail (materials@ffh.bg.ac.rs) before **August 15th, 2016**.

Registration fee

There is no registration fee. However, the number of participants is limited and those interested in participating should register as soon as possible.

Additional Information

More detailed information on the organization will be given in the Second Circular. It will be dispatched to those who send back the enclosed First Circular at materials@ffh.bg.ac.rs.
